From the Rectory

All of us are coping with readjustments. The certainties of the lockdown have been replaced with what are at times the bewildering complexities of the easing of lockdown and the decisions which this requires us to make.

It seems that we just about get used to one new regime when a new announcement comes along and further adjustments become necessary.

For the churches, the announcement that they can now be reopened for private prayer comes accompanied by stringent requirements on hygiene, cleaning and social distancing. At this moment some of our churches do not have the resources with which to meet these requirements. However, St Thomas a Becket South Cadbury and St Mary's Compton Pauncefoot have already opened their doors for private prayer on a Sunday and details of their opening times can be found in this edition of Excalibur. Others of our churches plan to reopen but need some more time to put in place the necessary safeguards.

And just when we were getting

used to this there comes the further government announcement that some form of public worship service may be offered as from Sunday 5th July. Yet again at the moment we await the 'small print' from the government as to exactly what restrictions this may involve. We expect this within the next week.

All of this complexity may well be frustrating. And yet we will navigate a way through. In the meantime, perhaps there is a need for calmness and patience. Two books of the Bible, Proverbs in the Old Testament and James in the New, speak particularly of the need for patience and of the corresponding need to resist anger. 'Whoever is slow to anger has great understanding', Proverbs 14:29 tells us while James 1:19 echoes this as it advises 'let everyone be quick to listen, slow to speak, slow to anger'.

(Continued on page 4)

Meanwhile, please do not forget our email offering, Cutting Edge Camelot. Anyone who is not yet on the circulation list please let me know and I will add you to it. In Cutting Edge Camelot we are focussing on different parts of the Lord's Prayer while midweek we look at how various Biblical characters responded to the confinement of imprisonment. This reflects the way in which

following Trinity Sunday we have entered into a new season of the church's year, one in which the emphasis is on spiritual growth and discipleship. Even times which could be ones of frustration in our lives can become those of immensely significant blessing if we focus on our own spiritual growth and discipleship.

*With my love and prayer,
Tristram*

Excalibur

Due to the Coronavirus restrictions, hand delivery of the Excalibur magazine is no longer possible. While the restrictions remain in place an electronic version of Excalibur will be placed on the Camelot Parishes website each month.

To compensation for the interruption in delivery of the paper magazine, the amount requested for next year's Excalibur subscription will be reduced.

Note to Advertisers

Some adverts, particularly those for village halls that are now closed, have been removed to make space and reduce the size of Excalibur.

As Excalibur is now only being published online, all advertisers will be given extra months in Excalibur before being asked to renew when we go back to printing a paper magazine.

Anna's Ordination

Before the lockdown our curate Anna's ordination as priest was scheduled to take place on Saturday 27th June at Wells Cathedral. She would then have presided at her first Communion at a Group service on Sunday 28th June. Because of the lockdown clearly neither of these services can take place. Some form of ordination service is scheduled to take place in September but at present details of this are still being worked out and these depend on the extent to which lockdown has been eased by then.

Churches Open for Private Prayer

Permission was given for the reopening of church buildings for private prayer from June 15th. This permission was coupled with the need to complete a Risk Assessment and to meet some fairly rigorous standards for instance in relation to cleaning, hygiene and social distancing. Not all of the Camelot churches have the resources at present to comply with these standards, especially the need for regular and thorough cleaning.

However, following the completion of Risk Assessments the churches at South Cadbury and at Compton Pauncefoot are now open for private prayer for a limited period on Sunday mornings.

South Cadbury is open from 10.00am to 12 noon and Compton Pauncefoot is open from 9.30am to 10.30am.

The PCC of St Michael's North Cadbury is actively considering proposals by which the churches at North Cadbury and Galhampton could also open for private prayer at specified times.

Churches to Open for Public Worship

The government have announced on June 24th that from Sunday 5th July it will be possible for public worship to take place in our church buildings. We are awaiting detailed guidance on this and it is anticipated that this will include similar provisions as were issued in relation to opening for private prayer - see the Rector's letter on page 3.

Once national guidance is available it will take time for individual churches to work out how these will apply in their particular

situation and how they can keep their building safe for people to worship in. A thorough risk assessment will need to be undertaken and details of safe distancing, sanitising and what activities are allowed determined.

**Somerset
Sight** Working with people
who lack sight, not vision

Do you have a few hours to spare a month to visit someone in your area?

Being visually impaired can be very isolating and to help with this we are looking for people to befriend someone in your local area who needs a little company just to sit and chat over a cup of tea or maybe go out and visit a Garden Centre or help with correspondence and maybe some personal shopping.

Volunteering for Somerset Sight is a very rewarding and fun thing to do and many of our Volunteers and visually impaired people make lasting friendships.

We give full training and reimburse all reasonable expenses.

Margaret McCreadie

21st May 1931 - 23rd May 2020

Margaret died peacefully in Yeovil Hospital on 23rd May 2020, aged 89 years.

Originally from Welling in Kent, Margaret first came to North Cheriton at the age of 20, where she took her first teaching post at the village school. Soon after, Margaret met Lloyd at a service in North Cheriton Church. The couple married and later moved to Charlton Horethorne in 1958, where they both remained for the rest of their lives. They were happily married for 57 years, until Lloyd's passing in 2011. They had 3 daughters - Mary, Sheila and Clare. Margaret also had 9 grandchildren and 3 great-grandchildren.

Margaret became ill before Easter and was admitted to hospital. She was then discharged to a care home for rehabilitation, but tragically she then contracted Covid-19, which resulted in her death. This disease has affected so many lives and the family are devastated this has happened.

Margaret's family wish to thank all the staff who looked after her at Yeovil Hospital and at Sherborne House Care Home. In addition, we would also like to thank

relatives and friends for their cards and messages of sympathy. A small private funeral took place at Maperton Church on 3rd June 2020. We hope to hold a Thanksgiving service at a later date.

Margaret had a wonderful life, for which we are truly grateful. Throughout her life, she held a strong affection for Ireland, the birthplace of her Mother. 'The Irish Blessing' read by Mary at her funeral follows, in loving memory of our warm, kind and wonderful Mum, who will be missed by so many.

*May the road rise to meet you,
may the wind be always at your back,
may the sun shine warm upon your face,
and the rain fall soft upon your fields,
and until we meet again,
may God hold you in the palm of his hand.*

From the Bishop

'One impact of the Coronavirus pandemic is there is now a lot of talk about the need to change and to re-imagine society, in order to build a sustainable and hopeful future. This is to be welcomed. However, change is something that we always have to live with. The Greek philosopher, Heraclitus, writing some 500 years before Christ, was a great proponent of this. He is known for saying: 'There is nothing permanent except change' and that you cannot step into the same river twice. By this he meant that just as the river flows so that you cannot touch the same water twice, so no two situations are exactly the same and that the world is constantly changing.

We live in a time of extraordinary change. Self-driving transport is now practical, not just for cars, but also perhaps more alarmingly for ships and aircraft. Artificial Intelligence is opening amazing new possibilities and medicine is advancing rapidly as the decoding of the human genome increases our understanding of many

Building a sustainable and hopeful future

diseases. At the same time our world groans under the weight of lifestyles and exploitation of resources which are not sustainable. I am writing this on World Environment Day and it is becoming increasingly clear that we need to change the way we live before we wreck even more havoc on the world which God has given us to steward and care for.

But in looking for change we need perhaps to look in rather than out. I remember once reading someone saying: 'You can't change what is going on around you, until you start changing what's going on within you'. Or as Tolstoy put it: 'Everyone thinks of changing the world. But no one thinks of changing himself.' It is sometimes said that if 'we change the way we look at things,

the things we look at change.' There may be so truth in that and perhaps we need to use this time of lockdown to continue to reflect on what it means to look at the world through God's eyes and to live faithfully in God's world so that we all play our part in building a sustainable and hopeful future.

Every blessing,
† Bishop Peter

Covering Somerset

While waiting in a socially distanced queue early one morning for the supermarket to open for us 'seniors', I was surprised to see a young man saunter along and try to cut in at the front of the queue. A furious old lady waved her cane at him, and he quickly backed away.

A moment later, the young man tried again. He managed to dodge the old lady, but then two old men started shouting at him. Again, the young man backed away.

But he wasn't giving up, and soon the young man approached the queue for the third time. By now, all of us pensioners were ready for him, an angry wall of opposition.

The young man stood there for a moment, and then shrugged his shoulders. "If you people won't let me unlock the door, none of you will ever get in to shop."

We forget that we do not inherit the earth from our parents, but we borrow it from our children. This world is not ours to despoil and destroy. It is the gift of God, and through its fecundity and beauty, is one of the chief ways in which God speaks to all nations.

-Andrew Dotchin

The New Normal!

Well, what a strange and different time this. It feels wonderfully, delightfully and yet surreally normal to be sat in my office writing this with the sounds of children wafting in from the playground. It seems the children aren't quite as noisy as they used to be, but then I remember . . . our bottom playground only has one bubble of children on it – the other bubbles also have their own outside space and the children in those bubbles are happily enjoying their playtime in their own dedicated spaces. It really is a joy to see and hear some of our children back in this wonderful little school.

North Cadbury seems to be ideally set up for managing a good degree of natural separation and social distancing and our parents appear to agree as our numbers for children returning are well above the national averages reported. So I must take this opportunity to say a huge thank you to them for putting their faith in us and allowing us to return school to the new normal. The North Cadbury team are all delighted to be back and busy working on plans to increase our capacity.

This may be a surprise to some, as our media seems only to be reporting from schools covered in hazard tape and drowning in worries, but the team here are in agreement with our Year 6 children - it's very much school as normal, just with a few changes.

Please do look at their video, it's on the school website in the 'News and Events' tab – welcome to the new normal.

If your child would like a North Cadbury education, we are hoping and praying that the new normal can be extended ready for more children in the Autumn Term, please do get in touch.

With very best wishes,

Mrs Lisa Thompson

NORTH CADBURY & YARLINGTON PARISH COUNCIL (PC)

The following topics were among matters discussed at the remote meeting of North Cadbury and Yarlington PC Meeting held on 27th May 2020.

Information for the Public

In light of the Coronavirus pandemic (COVID-19) and the Government's announcement to avoid social contact to help prevent the spread of the virus, North Cadbury and Yarlington Parish Council will meet remotely when required to consider planning applications and 'essential' business. These changes in procedure will cease when the Government announces that the Coronavirus (COVID-19) crisis is over and when normal meetings can resume. We recognise that these are challenging times, but we still value the public's contribution to our virtual consultative meetings. If you would like to participate and contribute in a meeting, you can join on-line through Zoom at: <https://zoom.us/join>.

Please email parishclerk@northcadbury.org.uk for the details to join the meeting once the agenda is published is on the parish website/notice boards. You will need an internet connection to do this. If you would like to address the virtual consultative meeting during either Public Session or regarding a Planning Application, please email the Clerk on parishclerk@northcadbury.org.uk by 9.00am on the day prior to the meeting. When you have registered, the Chairman will invite you to speak at the appropriate time during the virtual meeting.

Please Visit the New Parish Website!

We have a brand new Parish Website full of useful information and links. As well as being able to access PC agendas, minutes and documents, you can find details of local businesses and community organisations with useful links to other organisations such as the District and County Councils so that you can report potholes, fly tipping, planning enforcement issues or kept up to date on Covid 19 with daily updates. There will be regular news updates, which will be posted as we receive them and an enquiries link if there is anything in our villages that concerns you. Please let us know if you would like to add/update any information or include any other useful links? Please click on: <https://www.northcadbury.org.uk>

Reports from County and District Councillors

C.Cllr Lewis reported that he would continue to send his weekly Covid

19 update to the Clerk for circulation. Conversation was ongoing regarding the proposal for a Unitary Authority with no decision yet. County Highways Officers John Nicholson and Gary Warren had been seconded to other duties within the Council, so responses to highways matters may be delayed.

North Cadbury and Yarlington Neighbourhood Plan Working Group (NPWG)

Cllr Keys-Toyer gave the following report on behalf of the NPWG:
Household Survey - This is now completed and is available to view on the NP Website <https://www.northcadburyneighbourhoodplan.org.uk>.
Housing Needs Assessment - Waiting for data to be available from South Somerset District Council (SSDC), likely to be June/July.
Business/Employment and Facilities Surveys - Still chasing up those that have not responded.
Strategic Environmental assessment - Waiting for grant confirmation before we can start this.
Call for Sites - Still chasing some and getting fuller details. We have swapped data with SSDC so as to include those on their call for sites.
Local Green Spaces and Important Views - Draft completed.
Recommended Walks and footpaths - In progress
NP Website - Newsletter up and running.
Grants - Last year's audit completed and this year's application in.
SSDC Contacts - In contact with David Clews SSDC HELAA lead.
Cllr Keys-Toyer advised that he was still waiting for information requested from D.Cllr Hobhouse. D.Cllr Messenger agreed to follow this up and C.Cllr Lewis suggested that he gets in contact with Tim Cook, SSDC Locality Team Manager, who may be able to help in the interim.

Next Parish Council Meeting

Will be held remotely on Wednesday 22nd July 2020 via Zoom commencing at 3.00pm. Residents are invited and encouraged to attend.

TAKE ART

The effect of the coronavirus has inevitably caused a pause to the performances that Take Art promote but the following might be of interest to you once things return to normal!

A fantastic opportunity has arisen for someone to become a trustee on the North Cadbury Village Hall committee as a promoter for the Take Art Rural Touring Scheme.

Take Art is an Arts Council funded organisation that has provided subsidised professional theatre, music, comedy, dance and much more over the last 30 years. In cooperation with a vast team of volunteer promoters they have put on productions in rural settings like our own village hall. Over the years we have hosted a wide variety of shows that have transported us

from the peaks of the Himalayas to the music of the Appalachian mountains taking in heart-warming stories and music from around the world as well as a hilariously surreal bird watching adventure!

“Take Art takes great art and culture into the hearts of the towns, villages and rural communities of Somerset and supports our mission to give more people in more places the opportunity to engage in exciting cultural experiences on their doorsteps.”

CAMELOT VOLUNTEER NETWORK

It has been so heartening to witness the rapid growth of many neighbourhood volunteer networks in so many of our Camelot villages. Help has been focussed around shopping and delivering food and medical supplies to the elderly and vulnerable, those who are forced to self-isolate and who are unable to shop for themselves. Do please get in touch with the following people who are co-ordinating volunteers for different villages:-

The clerk of North Cadbury and Yarlington Parish Council, Becky Carter, 240226, parishclerk@northcadbury.org.uk, has also offered to be a hub to co-ordinate any requests for assistance from residents within the Parish Council area.

The above network may not be complete and if others are organising similar networks in their villages it would be really good to hear from them.

CUTTING EDGE CAMELOT

‘Cutting Edge Camelot’ is a form of electronic magazine which includes scripture passages, a reflection written by one of our Ministry Team, points for prayers, suggestions of new ways of sharing the Christian message in this time and brief news updates.

If you would like to be included in the email list for ‘Cutting Edge Camelot’ could you please contact Rob Sage (details top of

page 20) and give us your email address so that you can be added to the list.

Because of the current restrictions we cannot guarantee to be able to deliver print copies of this material to those not on email but we will do what we are able to do in this respect. Again if you telephone Rob Sage we will see what we may be able to do.

USEFUL INFORMATION RELATING TO THE CORONAVIRUS EMERGENCY

Sources of information

Weddings, Baptisms/Christenings and Funerals

The Government has announced that church buildings can be used for public worship from July 4th. We are waiting for national guidance on this - see page 5.

Small weddings with a limit of 30 people (if that number can be accommodated in the church building with social distancing) will be allowed from July 4th. This will depend on whether individual churches can meet the requirements. There can still be no baptisms/christenings in church although emergency baptisms (when a child's life is in danger) can take place in hospital or at home, subject to strict hygiene precautions and physical distancing.

Funerals can only happen at the Crematorium or by the graveside and only immediate family members (spouse or partner, parents and children) can attend. Those over the age of 70 or with underlying health problems are discouraged from attending and there should be physical distancing. Crematoria will also have their own rules. As the position is very fluid at the moment it will be necessary to check at the time with crematoria such as Yeovil and Mendip what their current rules are.

Where possible any preliminary meetings for funerals should be undertaken by telephone or Skype and it is recommended that there should be no social gatherings after these services.

For weddings, it is not possible to call banns while public worship services are suspended. Accordingly, the normal legal preliminary will now be Bishop's Common Licence.

Further and fuller information on these matters can be found on the Church of England website (details as above) which is kept regularly updated.

Church Meetings

We are asked only to hold essential meetings. While Holton Annual Meeting has already been held those of the other parishes have not. Accordingly these are being postponed and will be rearranged in due course. The Bishops have made legal changes to enable such meetings to take place at any time up until the end of October. Their actual date will depend on the relaxing of the social distancing measures.

Parishes Office

The Parish Office will only be staffed and open if this is absolutely necessary. We recommend in the first instance not going to the Parish Office but contacting Rob Sage by email or telephone if you need administrative help at this time. Please use the e-mail at the bottom of page 2. If the Office is unmanned, please ring 01749 850934 during office hours.

Churches

Some of the Camelot churches are now open for private prayer - see page 5 for details.

Pastoral Visits

Please be aware that under the new restrictions that pastoral visits can only be undertaken when essential and where phone contact is not enough. In cases where people are self-isolating there are even more stringent requirements. Please be aware that Yeovil District Hospital has indicated that the only visitors allowed are immediate family members or carers. This means that clergy cannot at the moment undertake visits to this hospital. Ministry in this respect will be undertaken by the hospital chaplain.

CAMELOT FAITH

Consult the diocesan website for information concerning streaming of church services. It currently has a link to the live streaming of services at St John's Yeovil but no doubt more links will be added as the current suspension of services continues.

The Prayer Book Society website, www.pbs.org.uk has details of online streaming of BCP services during the coronavirus pandemic.

On Mothering Sunday we launched a new initiative 'Cutting Edge Camelot'. This is a form of electronic magazine which includes scripture passages, a reflection written by one of our Ministry Team, points for prayers, suggestions of new ways of sharing the Christian message in this time and brief news updates.

Every copy of Cutting Edge Camelot is available on the [Cutting Edge Camelot](#) page of the Camelot Parishes website.

CAMELOT HOPE

You may find the following websites helpful in terms of suggesting ideas and resources for prayer:-

www.24-7prayer.com/coronavirus/prayer

Thykingdomcome@lambethpalace.org.uk

Here is a prayer which has been submitted by a parishioner:

*'Creator of all that is, each and every day,
remove or render harmless all dangerous*

*viruses from myself, my loved ones, and
then from all infected beings and the Earth
as a whole.'*

This is a prayer which can be repeated for everyone's safety and to restore wellbeing to the afflicted. Our parishioner comments that he finds this to be an especially helpful prayer as it is specifically targeted at the virus and prays for the protection of all and healing of afflicted.

You may also wish to use the following special coronavirus prayer:-

God of hope be with me, calm my anxious mind and remove fear. Surround me, keep me safe until the threat passes. **Surround me with love, and deliver me from evil.**

Protect my **family**, preserve us O God, and keep us in health and provision. May my **community**, despite enforced isolation, be united through acts of loving kindness. **Surround us with love and deliver us from evil.**

Help those in the **NHS** as they care for the sick and deal with the virus; for **businesses** as they manage the economic challenges and for employees sent home. **Surround them with love and deliver them from evil.**

Grant wisdom to our **government** and may the **PM** be surrounded by wise counsel. Guide their decisions today to lead us safely. **Surround them with love and deliver them from evil.**

May those working to stop the pandemic globally make the breakthroughs they need to **eradicate the virus**. Reduce its impact on other nations affected today. **Surround them with love and deliver them from evil. Amen.**

On Mothering Sunday, we were all encouraged to light a candle and place it in our windows at 7.00pm as darkness fell as a symbol of Jesus Christ, the light of the world and to pray for an end to the pandemic. We might wish to continue to do this.

A Prayer for the Self-isolating

Loving God,
we pray for all those who are suffering because of the coronavirus,
may they know your healing power.

When we are afraid for ourselves
and our loved ones,
give us your strength and courage.

When we feel alone and isolated,
reassure us with a sense of your presence.

Give wisdom to those in authority
and may our community work together
for the good of all.

We give thanks for those
who care for others
and ask you to bless them in all they do.

We ask this in the name of Jesus,
healer and physician. Amen.

CAMELOT LOVE

Please see details given above of the Camelot Volunteer Network. Special thanks are also due to Bob and Jackie New at the village shop in North Cadbury who have worked so hard to keep the community in supplies in these challenging times. We need to support them and all other local businesses who are seeking to respond to the various challenges that the new social restrictions place on us all.

Do, however, be aware that sadly there are also scams operating in these testing

times, for instance, people knocking at the door and pretending to test for the virus or emails headed 'important information' which appear to be about the virus. Do not on any account click on any link that you might be unsure about.

If you have any pastoral concern do feel free to phone any of the Camelot Parishes Ministry Team whose numbers are listed at the beginning of Excalibur. As indicated in the 'Information' section pastoral visits can only be undertaken when essential so in the first instance we will do all that we can to help you over the telephone.

A free phone line of hymns,
reflections and prayers

the service listening to the music, prayers and reflections for up to 50 minutes at a time.

The Revd Canon Dave Male, the Church of England's

A free phone line offering hymns, prayers, and reflections 24 hours a day while church buildings are closed because of the coronavirus received more than 6,000 calls in the first 48 hours.

The Archbishop of Canterbury, Justin Welby, recently launched 'Daily Hope' as a simple new way to bring worship and prayer into people's homes, during the lockdown period.

The line – which is available 24 hours a day on 0800 804 8044 – has been set up particularly with those unable to join online church services in mind.

The service is supported by the Church of England nationally as well as through the Connections group based at Holy Trinity Claygate in Surrey and the Christian charity Faith in Later Life.

Within 48 hours the line had received more than 6,000 calls from across the country, with many being referred by friends, family or members. Calls have so far spanned more than 50,000 minutes, with some of those accessing

Director of Evangelism and Discipleship, said: "The volume of calls shows that Daily Hope is meeting a need.

"We have a duty in these strange and difficult times to find new ways of bringing prayer and worship to people wherever they are, and this is one more way of helping people to connect with God from their own homes.

"This is such a simple idea – planned and launched all within a few short weeks by a small dedicated team – but I pray it will bring real comfort, hope and inspiration to people at this time."

Callers to the line hear a short greeting from the Archbishop before being able to choose from a range of options, including hymns, prayers, reflections and advice on COVID-19.

Options available include materials also made available digitally by the Church of England's Communications team such as [Prayer During the Day and Night Prayer](#), updated daily, from Common Worship, and a recording of the Church of England [weekly national online service](#).

Bible Bite

A short story from the Bible

It can be read in the Bible in
1 Samuel 24

God chose Saul to be the King of Israel,
but Saul chose to disobey Him. God said
that the next king would not be Saul's son.

Saul didn't know
that God had
chosen David to
be the next king.

David was very successful
as a fighter and very
popular.

David had to go on the run and
hide.

One day, Saul
and his army
were in En-Gedi.
Saul needed to
pee, so he went
into a sheep
fold built next
to a cave...

David and his men were hiding at the
back of the cave!

David crept over and
cut a piece off Saul's
robe.

Then David felt bad.

David waited until Saul
was far enough away
then he shouted to him.

Your majesty, I could have
killed you today, but I
knew it was wrong. I want
to prove to you I'm not
trying to harm you.

David, you are better than
me. I would have killed you
but you were kind.

Now I know you will be
the next king, but please
look after my family.

David promised, and
Saul and his army
went home.
