From the Rectory

There have been many different phases to the coronavirus emergency. Perhaps it has all dragged on much longer than anyone expected at the beginning. Indeed at the moment there is no clear end in sight when restrictions will end and life 'goes back to normal.'

At the beginning of the crisis there was a wonderful outpouring of community spirit and the desire to help others. But as time has drawn on we find the extent and depth of our generosity and love for one another being tested.

So as life opens up again we find different attitudes emerging. Some just want to get on with life again and struggle to see the purpose of all these restrictions. While others rather than wanting the pace of return to everyday life to speed up fear that perhaps the existing precautions do not go far enough.

We can find it difficult to respond to someone whose views are very different from our own. It is a challenge to our capacity to love. Thinking about this, I found that the wisdom contained in the bible passages set for this Sunday was very timely and relevant.

In the gospel we find Peter wanting to protect his friend Jesus from the pain and suffering that He was about to face. But Jesus tells Peter that there is a difference between a divine

and a purely human perspective on life. The divine perspective is one shaped by Jesus' Cross and Resurrection. Even though this way does involve great hardship and suffering it is ultimately one of supreme and enduring love.

Our other reading from ch.12 of Paul's letter to the Romans gives us some more detailed guidance about Christ's way of love. How do we respond to our enemies? Our enemies may simply be those we disagree with or even those who oppose and frustrate our plans.

First of all, the language we use matters. We are to bless rather than to curse. So we need to find language which affirms the other person even when we disagree with him or her.

And then our natural response is to want to defend our position and even to attack and to hit back at the other person. However, when we follow Christ's way of love we will not follow these natural responses. Rather than seeking to get even with other people

(Continued on page 4)

we will actively meet the needs of our enemies and leave the question of vengeance up to God.

And to do this we need to be able to stand in the shoes of other people and to see life from their perspective. We rejoice with those who rejoice and weep with those who weep.

So yes, it may be that those natural reserves of love and community which were so evident in the early

part of this emergency are in danger of running out. However, we can still draw on God's limitless reserves of love. Yes, at times this will mean going against our natural instincts. But it will also enable us to live peacefully with everyone even when we disagree with them. And surely that is a goal worth having at this time.

*With my love and prayers,
Trillian*

Excalibur

Due to the Coronavirus restrictions, hand delivery of the Excalibur magazine is no longer possible. While the restrictions remain in place an electronic version of Excalibur will be placed on the Camelot Parishes website each month.

To compensation for the interruption in delivery of the paper magazine, the amount requested for next year's Excalibur subscription will be reduced.

Note to Advertisers

Some adverts, particularly those for village halls that are now closed, have been removed to make space and reduce the size of Excalibur.

As Excalibur is now only being published online, all advertisers will be given extra months in Excalibur before being asked to renew when we go back to printing a paper magazine.

Churches Open for Public Worship

Details of the services of public worship taking place in Camelot during September can be found on pages 14 and 15. Please note that this is not yet the full rota of services that took place before the lockdown.

If there are no services in your church yet, you are welcome to attend another service in the Camelot Parishes but do check with the churchwardens beforehand (telephone numbers on page 2) as the need for social distancing means capacity in some churches is limited.

Churches Open for Private Prayer

With more services taking place in our churches the arrangements for private prayer have changed. The arrangements for September (as far as they are known) are as follows:

Compton Pouncefoot Church is open from 9.30am to 10.30am on Sunday September 6th.

Galhampton Church is open from 4.00pm to 5.00pm on Wednesdays followed by Celtic Worship with Revd Alison Parris at 7.00pm.

Holton Church will be open from 11.00am to 12 noon on the 4th Sunday of the month starting on September 27th.

North Cadbury Church is open from 2.30pm to 4.00pm on **Wednesdays**.

North Cheriton Church is open from 9.30am to 10.30am on Sunday September 6th.

South Cadbury Church is open from 10.00am to 11.30am on Sunday September 13th.

*The bishops had formed a
'support bubble' all on their own.*

Cutting Edge Camelot

Our electronic magazine, *Cutting Edge Camelot*, will continue for the time being as not everyone is able to attend services.

Past copies of *Cutting Edge Camelot* are available on the [Cutting Edge Camelot](#) page of the Camelot Parishes website.

If you would like to be included in the email list for *Cutting Edge Camelot*, please contact Rob Sage (details below) and give us your email address so that you can be added to the list.

Parishes Secretary/Office

The Parishes Secretary is continuing to work from home and only coming into the Office as necessary. Please make contact by email or telephone if you need administrative help. Please use the e-mail at the bottom of page 2 or, if the Office is unmanned, ring 01749 850934 during office hours.

A Prayer for Bishop Peter

(see page 8)

*O Lord, you are our strength
and our shield.*

*Your love sustains us
through all the challenges we face.*

*We place into your hands
all who are facing challenges,
in this time of such uncertainty.*

*We hold before you
all who are dear to us.
Particularly we pray for
our Bishop, Peter,
his family and friends
and all who love him,
as they face these coming months.*

*May they know your strength
and protection,
your healing and your love,
in the name of Jesus,
and in the power of the Holy Spirit,
Amen.*

Churches need to proclaim a better vision for the economy after the pandemic. Our economy is underpinned by the flawed assumption that people find their fulfilment through individual consumption: the more you have, the better your life will be.

– Simon Perfect, researcher for Theos

History books will inevitably tell the story of a virus that swept the world in 2020. But it is up to us what that story will look like. Either... the story of a virus that ... showed up the weakness, selfishness and frailty of people... or how people responded with their best, how the virus was a medical but not a social tragedy.

– Canon Will Hughes,
Vicar of Petersfield, Portsmouth Diocese

Bible Bite

A short story from the Bible

It can be read in the Bible in
Matthew 12:1-14, Luke 6:1-11

The Pharisees watched Jesus to see if he broke any of God's laws, or the rules they had made up to stop the laws being broken.

Jesus' disciples were hungry so they picked some wheat from a field as they walked.

The Pharisees said to Jesus

But King David broke the rules when he ate the bread that was only for the priests*

And priests are allowed to work in the temple on the Sabbath*

Don't you understand when God says 'keeping rules doesn't make up for not having kindness'?*

If you understood, you would know my disciples did nothing wrong.

The Pharisees followed Jesus to the meeting place

The Pharisees wanted to accuse Jesus of breaking rules, so they asked him a trick question.

If your sheep fell into a ditch on the Sabbath you would lift it out.

People are worth far more than sheep, so it is right to do good on the Sabbath

Hold out your hand.

The Pharisees left and made plans.

From the Bishop

I am writing this whilst receiving treatment in hospital, although by the time you read this, I hope that I may be back home having completed my first course of chemotherapy. The first thing I want to say, and I am sure this is echoed by so many, is what wonderful treatment and care I have received from everyone in the hospital. Their kindness, concern and professionalism are beyond words.

What is an unusual experience for me however, is that I have not been allowed to leave my room and the doors and windows have been kept firmly shut. Looking out of my window and craning my neck upwards I am just able to get a glimpse of the sky outside. Without that I would not know whether it was sunny or cloudy or raining outside. Not that I am in any way complaining. I am safe and receiving the best care imaginable. It is also important whatever may happen to keep a sense of proportion. I vividly recall hearing Terry Waite speak when he came to the Diocese on one occasion. It is unimaginable what he went through in those 1763 days in Beirut – the first four years of which were spent in solitary confinement, blindfolded, in a basement room with no windows, with no books or papers, chained to a radiator and sleeping on the floor. His courage and faith are

Thank you for your prayers

remarkable and have inspired so many people since. I remember him once being interviewed and being asked what the happiest moment of his life was, one that he would cherish forever. He replied: 'When my blindfold was taken off during my release in November 1991. I'd been in the dark – in a basement or blindfolded - for years. For the first time in five years I saw the sky, the grass, the colours, and I felt the wind on my face.'

Terry Waite is also very clear about how the prayers of so many others supported him through those years. As I write I am also very aware of all the prayers that have and are being said for me. That is both humbling and encouraging and once I am getting out and about again, I look forward to being able to thank you personally.

With my thanks, best wishes and prayers for you,

✠ Bishop Peter

The Summer of 2020 & A Huge Welcome Back

During the summer our lovely Miss Lukins became the even lovelier Mrs Hillier, and she has kindly agreed that we can share her photograph here as it was a real highlight of the summer, and a wonderful opportunity to see some normality return.

Many of our children and families turned out at St. Michael's in North Cadbury to greet Miss Lukins and wish her well, then waited in the grounds to welcome the new Mrs Hillier and shower her with rose petals and charms thoughtfully provided by our mums.

As you are reading this, we will have all returned to school and the disruption brought about by COVID-19 will no longer be causing so many issues as children return to their classrooms and parents are able to return to jobs, coffee dates, child-free shopping and other jobs that are simply easier without the children in tow! At North Cadbury we have determined to run as near to normal as possible by simply creating two key stage bubbles so that we can once again enjoy the simple school pleasures of collective worship, communal playtimes and lunch in our beautiful hall.

This simple process has also meant we can offer the full range of childcare options to parents too by reintroducing our Breakfast Club, and our After School Child Care enabling working parents to simply get back to being working parents.

The Autumn Term is always a busy one in schools with lots of planning for the 'not to be named until November, festive celebration in December' and this year will be no different. Our younger children will perform their Nativity, and our popular Community Carols will still go ahead – we may just have to be inventive and resourceful in

how we manage this.

Please join with us in praying for a cure/vaccine for this pandemic that has blighted our lives for too long already.

With very best wishes,

Mrs Lisa Thompson

A surgeon, an architect and a politician were arguing as to whose profession was the oldest. Said the surgeon: "Eve was made from Adam's rib, and that surely was a surgical operation."

"Maybe," admitted the architect, "but prior to that, order was created out of chaos, and that was an architectural job."

"But," the politician pointed out in triumph, "somebody had to have created the chaos in the first place!"

American teacher to students: "Be diligent and steadfast, and you will succeed. Take the case of George Washington, our first ever president.

"Do you remember my telling you of the great difficulty that George Washington had to face? The big problem that could have been the end of his political career?"

"Sure," said a student. "He couldn't tell a lie."

NORTH CADBURY & YARLINGTON PARISH COUNCIL (PC)

The following topics were among matters discussed at the remote meeting of North Cadbury and Yarlington PC Meeting held on 22nd July 2020.

Reports from County and District Councillors

C.Cllr Lewis reported that Somerset County Council's (SCC) proposal for a Unitary Authority was gathering pace with both County and District Councils. The proposal would be considered at the next full meeting of SCC on 29th July 2020 prior to submission to the Secretary of State. Cllr Lewis gave an update on the dualling of the A303 from Sparkford to Ilchester. He reported that the Secretary of State is minded to refuse this application subject to further information or evidence from the Applicant, Highways England (HE), on a number of specific issues. HE has until 18th August 2020 to respond. The new deadline for a decision is now 20th November 2020.

Cllr Lewis reported that work to mitigate the effect of Covid 19 continued to ensure Somerset remained a relatively safe place and the prognosis was reasonably good at this stage. He considered the figures for the County were skewed due to figures from the Royal United Hospitals Bath as the hospital also provides healthcare to the population in Wiltshire and South Gloucestershire.

D.Cllr Messenger reported that Simon Fox recently left the Council and would be replaced as Lead Planning Officer by Stephen Baimbridge on a short term agreement. He also reported that grants were available from South Somerset District Council (SSDC) to help small businesses affected by Covid 19.

North Cadbury and Yarlington Neighbourhood Plan Working Group (NPWG)

Cllr Keys-Toyer gave the following report on behalf of the NPWG, which was brief as they were still working on the areas last reported:

Call for Sites: The infrastructure and environment consultancy company AECOM who have been commissioned to undertake site assessments, have completed the site visits and will be reporting back to the Working Group for further consultation. We plan to publish details of the sites within the next month.

Heritage/Design guidance: Cllr Keys-Toyer had been round the Joint Parishes with Kim Sankey, the architect commissioned to produce the Heritage Report. There will be further consultation on this before completion in early autumn.

Neighbourhood Plan Draft: Work continues on this.

NP Website: Residents can sign up on the website for a NP newsletter. The WG would also publicise the sites identified in the 'Call for Sites, via the newsletter, website, Galhampton Private Group Village Facebook page and a message would be sent via Nextdoor directing residents to the sites on the website.

Highways and Rights of Way

Highways. Cllr Rundle reported that a blocked culvert in Sandbrook Lane had been cleared. John Nicholson, SCC Highways Engineer informed him that, despite having the workforce to carry out highway repairs, as there was a shortage of tarmacadam they were unable to carry out the work.

ROW. Cllr Vaughan was pleased to report that the parish footpaths were in very good condition and positive feedback had been received. Cllr Vaughan reported that the Parish Paths Liaison Officer (PPLO), Mrs S Fone, had approached Emily Estate to ask for a donation towards four noticeboards to display ROW maps in the parishes. C.Cllr Lewis advised that the circular walk project could be eligible for match funding from the SCC Community Grant Fund and that District Councillors may also be able to match fund by 'payment in kind'. Cllr Vaughan hoped that the project would be complete for summer 2021. Following a brief discussion regarding the issues with Restricted Byway WN 19/105, it was proposed that it would be beneficial to arrange an on-site meeting with Cllr Vaughan, E Wynn, J Longman, R Rundle and the PPLO.

CHURCH SERVICES

For the time being we aim to hold a socially distanced service on the second Sunday of each month starting with Sunday Worship on Sunday 13th September at 11.00am.

Further services will be advertised on the church noticeboard and In Excalibur Magazine.

We will also open the church on the fourth Sunday of each month for private prayer starting on Sunday 27th September from 11.00am to 12 noon. Volunteers will be on hand to ensure social distancing. The church will remain closed at all other times.

Socially distanced seating has been mapped out within the church. It would, however, be appreciated if you could let the churchwardens Mark and Carol Seymour know in advance if you are intending to come to Sunday Worship by phoning 01963 33680 or emailing carol@seymoursfarm.net. This is so that we have an idea of numbers and, if necessary, can take action to avoid any possible problems arising through potential lack of socially distanced capacity.

The wearing of face coverings is mandatory inside the church, unless you have a specific exemption. The officiant and anyone else speaking in public (for instance, doing a reading) are allowed to remove their face covering in order to improve their audibility, but not while distributing Communion (which is not part of a Sunday Worship service only a Communion service).

For Sunday Worship, service sheets are produced which are not reusable for a subsequent service. Please take these service sheets away with you.

We are not at this stage of the easing of restrictions permitted to have congregational singing. We may use pre-recorded music or hymns and you can follow the words on your service sheet.

The collection plate cannot be shared round during the service but will be placed by the door for use on the way out. Please

FOOD BANK COLLECTIONS

Food banks are running seriously short of donations during the current coronavirus crisis.

So we have organised three locations for food donations in North Cadbury:

- One food donation box is located on the High Street, **opposite the Catash car park entrance.**
- There is another food donation box **halfway down Cary Road** on the right hand side, between the Catash and the school.
- And there is another food donation box at the junction of **Cary Road and The Close.**

MAINLY MUSIC AND COMMUNITY

COFFEE MORNINGS

Sadly we have had to make the decision to postpone our pre-school mainly music group and the monthly coffee mornings for a while. We look forward to welcoming everyone back in the not too distant future.

VILLAGE WALKS

Sadly, whilst the current health crisis is upon us, we shall not be holding further walks as a group. Please continue to walk the paths as individuals and keep the growth around them in check! Thank you.
