## From the Bishop

---

This month of April begins on Maundy Thursday, the day when we remember the last meal Jesus shared together with his friends before he was arrested and crucified. It was the meal that has become so significant in the life of the Church, where bread was broken and a cup of wine passed round, coming to symbolise for us the brokenness of the body of Christ. The sacrifice he made for love of us.

Many of us will hopefully celebrate something of the Easter feast this weekend although restrictions continue for a while longer. We may not yet be able to gather in larger groups of family and friends but perhaps we can glimpse what is to come?

This has always been the story of the Church, to point to what 'is' but which may not yet be fully realised. During this pandemic there has been a need for hope amongst such bleakness and now as the vaccine is shared and the signs of life appear in the world around us, we begin to see what might again be possible. To hope for a better future.

### *Hope for a better future*

And yet in the bleakness of this first weekend of April, which takes us into the darkness of the tomb on Holy Saturday, we remember that hope is not cheaply bought. It is not mere optimism, but rather something, though fragile, that is stronger than death.

As some of us break our fast this Easter and share the bread and wine of the Eucharistic feast, may we know both the cost of such love and the hope that it offers.

Easter blessings!

† Ruth  
Bishop of Taunton

## Church Services

With the number of cases of Covid-19 decreasing and an increasing number of our congregation members having received the vaccine, discussions are taking place about when we can begin to hold services in our churches.

Seven of our churches will have services on Easter Day - see page 6 for details. In addition North Cadbury and Galhampton churches have arranged services on alternate Sundays in April - see pages 12 and 14 for details.

Decisions on April services for the other churches had not been made at the time of publishing, but details of any services taking place will be found on the Camelot Parishes website and on each church's A Church Near You website.

## Excalibur

The national lockdown means we have not yet been able to resume the printing of paper copies of Excalibur, but we hope to do so as soon as possible.

## Cutting Edge Camelot

Our electronic magazine, *Cutting Edge Camelot*, will continue for the time being while services are suspended.

Past copies of *Cutting Edge Camelot* are available on the *Cutting Edge Camelot* page of the Camelot Parishes website.

If you would like to be included in the email list for *Cutting Edge Camelot*, please contact Rob Sage (details below) and give us your email address so that you can be added to the list.

## Parishes Secretary/Office

The Parishes Secretary is continuing to work from home and only coming into the Office as necessary. Please make contact by email or telephone if you need administrative help. Please use the e-mail at the bottom of page 2 or, if the Office is unmanned, ring 01749 850934 during office hours.

## Adverts

Please note many of the adverts in the magazine are unchanged from before the lockdown and so not all the services offered may be available under current restrictions.

## North Cadbury and Yarlington Parish Council

An update from the Parish Council can be found on page 16.

## **Kisumu Children Trust**

### **Lent Appeal**

The Kisumu Children Trust is a charity for children in Kenya. Our parishioners in Galhampton, Mike and Katherine Dare, have been trustees and actively involved with Kisumu for a number of years. They write as follows:-

‘2020 has been a challenging year for Kisumu Children, as with all charities, and of course for our churches across Camelot, though thankfully Kenya has thus far been saved from the extreme ravages caused by Covid-19. In addition, an initiative sponsored by UNICEF and the Kenyan

Government is requiring us to redirect the Christian love, care and witness we provide in our children’s home towards continuing to support the children in this way but in their own rural homes or with extended families rather than in our home. This will be a real challenge for our ministry over the coming years and may well see us working more closely with local churches in Kisumu and the local school.’

Please make cheques payable to Kisumu Children and send them to:- Kisumu Children Trust, The Old Post Office, 1, Thorpe Avenue, Tonbridge, TN10 4PW.

## Easter Morning

*(John 20: 1-18)*

*Who is it you are looking for?  
Who?*

*Mary, looking for her Lord,  
early in the morning,  
while it was still dark,  
looking for Jesus,  
expecting his death-wrapped body,  
finding, instead,  
the stone of surprises and loss.*

*The men come and go,  
but Mary stays and weeps  
for the love of her Lord.  
Looking, looking into the darkness,  
she weeps.*

*Angels in white turn her to the light,  
and the possibility of grace.*

*And in the speaking of her name,  
the world changes.  
Mary.*

*Looking, looking no longer,  
the Lord lives, gloriously, for Mary.*

*He lives for all who look.  
Who is it you are looking for? Who?*

volcanic activity on Mars. It went into  
orbit around Mars and remains  
operational. It is the longest surviving  
continually active spacecraft orbiting  
another planet.*

*10 years ago, on 29<sup>th</sup> April 2011 the  
wedding of Prince William and  
Catherine (Kate) Middleton took place  
at Westminster Abbey in London.*

Well, what a joy it has been having all the children back into school since early March. It is also interesting to note that despite much media coverage surrounding catch up, our children have returned eager to learn with their books clearly showing that their home learning has been purposeful and to a high standard.

In the weeks leading up to Easter the children have enjoyed and participated

in learning for International Women's Day, Global Recycling Day, Red Nose Day, a visit from the Life Bus, and of course our Easter services and celebrations. The only disappointment in all of these events has been the noticeable lack of community involvement, which we had been working so hard to foster before Coronavirus hit.

However, our fantastic local church and parish community clearly haven't forgotten us, and we are astonished to be able to use Excalibur to pass on our thanks for an overwhelming response to our request for lockdown reading and books – over £2,000 has been anonymously donated and we are enormously grateful.

This has enabled us to provide high quality reading material for every child during lockdown, and to refresh our class and library books with books that the children are desperate to read. Lockdown learning has highlighted the many advantages of technology, but at heart our desire is still to inspire a generation of young readers and easy access to good books is key in our

work, so thank you, thank you, thank you.

If you would like your child to receive a North Cadbury education, please contact the school office. We have spaces available for younger children, but are full in Years 5 & 6.

With very best wishes,

*Mrs Lisa Thompson*

## **INTERVIEW - Making the change**

*Julian Brooks is Lay Dean for Crewkerne and a Churchwarden at St Michael's and All Angels, Haselbury Plunkett. He has a background in environmental conservation.*

### **What is your church doing to help the environment?**

We are working towards becoming an Eco Church. Before Covid hit we had done some of the easy bits on land management and energy usage, but were working on what I think are the harder elements of worship and lifestyle.

### **Do you think the Covid pandemic has changed people's view of caring for creation?**

I think people are more conscious than ever of the need to be more environmentally aware and I hope when we come to redo our Eco Church questionnaire in the autumn that will come through and we can achieve at least bronze award.

### **What are your hopes for worship?**

I'd like to see the environment and climate change mentioned every week. Whether that is in the context of global issues or more local ones, there is plenty to talk about. The Church has to play a leading role in tackling climate change and we need to step up locally and nationally.

### **Any advice for churches wanted to get started?**

Changing your energy tariff to a green one is an easy start, as is letting go of the idea of a manicured churchyard. Even mowing the grass less and having a semi-wild area can benefit biodiversity while still being a place of peace. Many churches are being tested financially currently and going greener can also help save money too.

## One Solitary Life

*Here is a man who was born in an obscure village, the child of a peasant woman. He grew up in another obscure village, where he worked in a carpentry shop until he was 30, and then for three years he was an itinerant preacher.*

*He never wrote a book. He never held an office. He never owned a home. He never had a family. He never went to college. He never put His foot inside a big city. He never travelled two hundred miles from the place where he was born. He never did one of the things that usually accompany greatness. He had no credentials but himself. He had nothing to do with this world except the power of his divine manhood.*

*While still a young man, the tide of public opinion turned against him. His friends ran away. One of them denied him. He was turned over to his enemies. He went through the mockery of a trial. He was nailed to a cross between two thieves. His executioners gambled for the only piece of property he had on earth while he was dying - and that was his coat.*

*When He was dead, he was taken down and laid in a borrowed grave through the pity of a friend. 19 wide centuries have come and gone and today he is the centre-piece of the human race ...*

*All the armies that ever marched, and all the navies that ever were built, and all the parliaments that ever sat, all the kings that ever reigned, put together have not affected the life of man upon this earth as powerfully as has that One Solitary Life.*

## **NORTH CADBURY & YARLINGTON PARISH COUNCIL (PC)**

The following topics were among matters discussed at the virtual meeting of North Cadbury and Yarlington PC held in February 2021.

### **Reports from County and District Councillors**

C.Cllr Lewis reported that Robert Jenrick, Secretary of State for Housing, Communities and Local Government, recently announced that he had deferred county council elections until 2022. The elections in May 2022 would create a shadow authority to run until May 2023 at which time unitary authority elections would be held to coincide with town and parish council elections. The deferral of the election was requested so that the Minister could launch the formal consultation on the unitary case for Somerset on what shape, if any, the unitary authority should take in Somerset. There were two bids; 'One Somerset', put forward by Somerset County Council (SCC) that covers all of the districts and county council. The second bid, put forward by the district council is to split the county in two, west and east, creating two unitary authorities and to have an overarching Adults and Children Services to cover the whole of Somerset. The consultation will take place until 19<sup>th</sup> April 2021, at which time he was hopeful that a decision would be put forward as to what shape the future of local government will be in Somerset. He did not believe that it would affect town and parish councils in terms of current work in the future, however, there may be some additional responsibilities if requested. The decision would be announced on June 21<sup>st</sup>.

C.Cllr Lewis reported that SCC tax element would increase by 1.99% from April 2021 with an additional 3% for Adult and Children Services. He also reported that the A303 dualling was agreed by the Minister, however, Queen Camel PC had called an extraordinary PC meeting to put forward reasoning to have a judicial review of the Minister's proposal for the A303 dualling.

### **Highways and Rights of Way (RoW)**

Full Highways and RoW reports can be found as attachments to the PC minutes on the Parish Website <https://www.northcadbury.org.uk/>

The full report from Cllr Keys-Toyer to the PC can be found on the PC Website.

## **Fibre to The Premises (FTTP) – Wessex Internet (WI) Voucher Scheme**

Mr R Rundle advised that WI were installing FTTP in Yarlinton and had received approval to install FTTP in Galhampton, both under a government funded scheme. WI required an indication of interest from residents in North Cadbury and Woolston as such schemes were demand led. WI would need forty residents to register an interest, approx. 20% of households, in order for them to take the request forward for the voucher scheme funded by the government; there would be no commitment from residents to proceed. The current voucher scheme ends in April, however, it may continue after this date under a new scheme. Installation would be at no cost to the resident. Various packages were available depending on service requirements under an initial one year contract. General sales enquiries and registrations please call 0333 240 7997 or via the link on their website: <https://www.wessexinternet.com/iwantfullfibre/>

# Bible Bite

## A short story from the Bible

It can be read in the Bible in  
Matthew 26:20-25, 31-35, Mark 14:17-21, 27-31  
Luke 22:22, 31-34, John 13:21-30, 36-38

The Jewish leaders wanted to kill Jesus.  
One of Jesus' disciples, Judas, had  
accepted money from them to betray him.

As Jesus and his disciples ate the  
Passover meal, Jesus said

John was sitting  
next to Jesus, so  
Peter said

So John asked Jesus

It is the person I give  
this piece of bread to.

Jesus dipped a piece  
of bread in sauce, and  
gave it to Judas.

What you are about to do  
you must do quickly.

Why has Judas gone out?

They continued  
the Passover meal

Jesus then told the rest of the  
disciples

Peter said

Before tomorrow morning  
you will have denied you  
even know me 3 times.

Even if I have to die, I  
will never disown you!
