EXCALIBUR MAGAZINE

EDITOR - Rob Sage see opposite

From the Rectory

As I write we are in an 'in between' period in the church's year, the interval between the celebration of Jesus' Ascension into heaven and the coming of the Holy Spirit at Pentecost.

And in terms of the coronavirus emergency, we might also think of ourselves as being in rather an 'in between' time. Yes, unlocking is taking place but in the light of last week's announcement concerning the Indian variant the future still seems very uncertain.

One of our readings for last Sunday comes from the book of Acts. This reflects the mood and preoccupations of the period 'in between' the Ascension and Pentecost. The disciples have a choice to make, that of a replacement apostle for Judas Iscariot who betrayed Jesus.

One option that they had was simply to postpone making any choice. After all, it is hard to make a decision when we are uncertain what the long-term future might hold. And sometimes simply postponing a decision is the right choice to make.

But we cannot always do this. Sometimes even though the future may be very uncertain we have to trust God and do what we can even if we might wish we had a fuller picture of what is going on.

And in this case the disciples decide that they cannot postpone their choice. They come up with two candidates, Joseph and Matthias, who both fulfilled the qualifications for the vacant

position. They were both people who had been with Jesus from the start of His earthly ministry and who could be a witness to Jesus' Resurrection.

So how to choose between them? Although they cast lots this was not the sign of a random process. Rather it was made in the deep trust that God would use this means to show them the right person. The process was framed by prayer and an understanding that only God can know what is in someone's heart. They were confident that God would work through the casting of lots.

This reminds us of the crucial role of prayer in 'in between' times when we are uncertain as to which path to follow in the road ahead.

As well as prayer, perhaps kindness is much in need at this 'in between' time. For we each have different fears and vulnerabilities. We need to respect such differences and to be understanding of different viewpoints. And where decisions cannot be postponed and do need to be made, then we need to take everyone's position into account as we make these decisions.

*With my love and prayer,
Trillian*

125 years ago, on 4th June 1896, Henry Ford completed his first automobile, the Ford Quadricycle, and gave it a test run around Detroit Michigan. It was a simple frame with an engine, two gears, a tiller for steering and four bicycle wheels. It had a top speed of 20mph. Its success led him to establish the Ford Motor Company.

90 years ago, on 13th June 1931, Jesse Boot, 1st Baron Trent, British pharmacist and philanthropist, died. He had turned his father's Boots Company into a national chain of chemists.

80 years ago, from 22nd June to 5th December 1941, Operation Barbarossa took place. It was the German invasion of the Soviet Union, the largest military operation in history. In the end, it was a Soviet victory, for the German invaders were repelled when they reached Moscow, and then driven out of Russia by a Soviet counter-attack.

65 years ago, on 13th June 1956, the first European Cup final was held, in Paris. Real Madrid (Spain) beat Stade de Reims (France) 4-3. The European Cup is now known as the UEFA Champions League.

Church Services

The majority of our churches have now resumed regular services - see pages 16 and 17 for details as currently known. At the time of printing, arrangements for services in each church were being finalised at the Annual Meetings and so some services have not yet been confirmed and others may be added.

Please note that Covid restrictions remain in place - social distancing, hand sanitising and the wearing of face masks (unless exempt). Currently congregational singing can only take place outside the church building.

Any changes to services taking place can be found on the Camelot Parishes website and on each church's A Church Near You website.

From the Bishop

'I am always ready to learn although I do not always like being taught,' wrote Winston Churchill. I think many of us would echo that thought!

A huge 'thank you' to our teachers and all who support our schools! There has been a tremendous effort across our diocese to ensure our children have been able to continue their education during lockdowns and the need to restrict normal practice. Not only have the children been learning but teaching staff have also been going 'back to school' in order to find new means of communication. Governors, church communities and individual volunteers have gone the extra mile too, to encourage our teachers through gifts and cards and prayer. The whole school team deserves our gratitude.

Learning online is a challenge. Those of us who are spending many hours in Zoom rooms online these days can vouch for that. It's tiring! And it is not just our children who have found it so. At the end of this month we shall be celebrating the ordinations of our new priests. Last year they were ordained as deacons in September following three months as lay curates as a result of the pandemic restrictions.

What a year to be a deacon! They've had a very different learning experience than would normally be

A time to learn

expected. Not so much opportunity of the 'hands-on' experience yet perhaps an even more profound learning possibility. I'm looking forward to hearing their stories!

We shall be repeating the new pattern of ordinations with our incoming deacons being licensed as lay curates initially this June. For them, colleges and courses have taken place principally online and they've had experience of digital worship on top of regular lectures and seminars. How might that prepare them for our 'new normal' of blended worship, with live-streaming of services in person?

As the Church emerges into this 'new normal' we have the opportunity together to learn and discover new things, new gifts, new ways of being the people of God. It is the same

good God, the same story of His love to share with others, but there's a new landscape. How might you and your community respond to that? What have you learnt in this time? And how might that learning change you and the way you do things? Do share your stories with us!

"One learns from books and example only that certain things can be done. Actual learning requires that you do those things." (Frank Herbert)

Every blessing

✝ Bishop Ruth

Hello Spring! I'm sure that I can't be the only one to have noticed that after a seemingly slow start, Spring has suddenly arrived with a flourish. We are very fortunate at North Cadbury C of E Primary School to be surrounded by greenery and scenery, whether that be in our school grounds, up on our playing field, or out and about on one of our many Welly Walks around the beautiful North Cadbury area.

Enjoying the fresh air . . .

Every week our younger children venture out to explore their surroundings and the beautiful area that we live in. As you all know, any time spent outdoors appreciating nature is known to be a real tonic for our mental health and wellbeing, and we are passionate about instilling that understanding in all our children, so over this Summer Term you will also see some of our older children out on Welly Walks too.

Practically the only time the boys will get away with their shirts being untucked!

When we are out and about, we are a lively, happy bunch, often stopping to listen for trolls under bridges, or dragons soaring overhead, as well as simply enjoying the trees beginning to bud and the array of wildflowers in the fields. If you are lucky enough to see us, please do stop and say hello or give us a friendly wave – the younger children especially love to chatter and wave back. Just last week the local refuse collectors received at least 35 waves and ‘Thank You’s’ for a job well done.

Who doesn't love a dandelion clock!

If you would like your child to receive a North Cadbury education, please contact the school office. We have limited spaces available, but will happily see if we can fit you in.

Arriving at church to attend a wedding, a formidable looking lady in a large hat was greeted by the usher. "Are you a friend of the groom?" he ventured. "Certainly not," she said indignantly.

"I'm the bride's mother."

A minister said to a precocious six-year-old boy, "So your mother says a prayer over you each night? That's very commendable. What does she say?" The little boy replied, "Thank God he's in bed!"

NORTH CADBURY & YARLINGTON PARISH COUNCIL (PC)

The following topics were among matters discussed at the virtual meetings of North Cadbury and Yarlington PC and the Annual Parish Meetings held in April and May 2021.

Reports from County and District Councillors

C.Cllr Lewis previously circulated Somerset County Council's (SCC) Briefing for Annual Parish and Town Council meetings, which can be found at Attachment 1 of Yarlington's Annual Parish Meeting draft minutes on the Parish website:

https://www.northcadbury.org.uk/data/uploads/767_1825860014.pdf

D.Cllr Hobhouse reported that South Somerset District Council (SSDC) had been extremely busy during the Coronavirus pandemic, co-ordinating and processing the business grants while managing all other aspects related to the virus itself. SSDC staff had been manning the vaccination centres since they opened in December 2020, however, staff were now getting back to operating out of the District Council offices.

Cllr Hobhouse was disappointed that councils could not meet remotely with effect from 7th May 2021. It is his belief that councillors do not need to travel all over the district to attend meetings when this could be achieved without using petrol and diesel. SSDC were working hard in an attempt to get the Government to change its mind to allow people to continue to meet remotely, however the Government claims that they don't have the parliamentary time to do so.

Cllr Hobhouse reported that there would be an on line poll for residents to vote on which of the two Unitary Authority (UA) proposals they would like for the future of Somerset; SCC's 'One Somerset', a single UA or the District Council's 'Stronger Somerset', a two UA. He hoped that the results of the poll would help guide the Secretary of State's final decision which was due to be announced on 28th June 2021.

D.Cllr Messenger. The Clerk read out the report on behalf of D.Cllr Messenger. "SSDC gave away 775 trees in the 'Great Parish Tree Give-Away'. Community tree groups planted a further 2,235 trees and the Urban Tree Challenge planted 900 trees.

Waste collection from the 28th June will be every three weeks depending where you live, in addition there will be blue bags given for more recycling.

SSDC's Chief Executive, Alex Parmley, is to step down from his role after almost five years for a new life in New Zealand; we wish him well.

On the 6th April 2021 Cllr Messenger met with Helen Smith and John Nicolson to discuss the Fulford Cross flooding at the bottom of South

Cary Lane; he was assured that it would be dealt with before next winter.

Due to the scale of the covid-19 vaccination project and to provide more vaccination appointment availability for patients, the clinic has moved from the vaccination hub at Wincanton Community Hospital to Haynes International Motor Museum from 1st May 2021. D.Cllr Messenger praised the excellent efforts of the staff from SSDC, Millbrook Surgery, Castle Cary, local hospitals and volunteers, who have worked hard every day since the start of vaccination roll out program.

At Full Council meetings at Mendip, Sedgemoor, Somerset West and Taunton and SSDC, 84% of councillors voted to support the proposal 'Stronger Somerset' for a twin unitary authority. Residents will have the opportunity to have their say through a postal vote. Phosphate remains a huge problem for many planning applications; Cllr Messenger advised that residents should lobby their local MPs."

ST MARY'S CHURCH

Since March we have been able to open the church again and hold a Holy Communion Service on Easter Sunday and

on the third Sunday of each month. We have had a good response and have been grateful to Tristram for taking the services and to Malcolm and Clare for playing the hymns for us to follow. In June we hope to revert to two services a month.

VILLAGE HALL REOPENING

The village hall partially reopened on 17th May following the latest stage in the government's roadmap out of lockdown. Various classes and events such as yoga, Pilates, table tennis, line dancing, ballroom dancing and aerobics have commenced since this date. Once the final roadmap stage is reached on 21st June and all restrictions are lifted then the hall will fully reopen and hiring and events return to normal. Details of all events in the hall are shown on the village website at www.galhampton.com Please note that full reopening is subject to any changes in the roadmap and the proposed lifting of restrictions.

VILLAGE 200 CLUB

Subscriptions for the 2021/22 year are now due, the last draw for the old year being on 5th June. The cost is still £12 for the year, with half the proceeds going to the village hall funds and half to the prize fund, there being five prizes each month totalling £100, so 60 prizes for the year – much better odds than the National Lottery! We will be in touch about renewals (by email where we can). There are usually a small number of spare tickets, so if you do not have one and would like to join in the 200 Club then please email village@galhampton.com

JULY VILLAGE GATHERING

& Coffee Morning with 200 Club Draw – Saturday 3rd July 10.00am to 11.00am at the village hall with draw and notices at 10.30am. We are back – hopefully! After a 15-month break, come along and celebrate with a cup of fresh brewed coffee and a delicious home-made cake or two, join fellow villagers for some convivial company and see if you have won in the monthly 200 club draw. All are most welcome at this very popular event which is also a great way of catching up with what is going on in the lovely village of Galhampton. Do come and join us at our first gathering this year – it will be an important and celebratory event.

FOOD BANK COLLECTIONS

Food banks are running seriously short of donations during the current coronavirus crisis.

So we have organised three locations for food donations in North Cadbury:

- One food donation box is located on the High Street, **opposite the Catash car park entrance.**
- There is another food donation box **halfway down Cary Road** on the right hand side, between the Catash and the school.
- And there is another food donation box at the junction of **Cary Road and The Close.**

VILLAGE WALKS

Sadly, whilst the current health crisis is upon us, we shall not be holding further walks as a group. Please continue to walk the paths as individuals and keep the growth around them in check! Thank you.

SOUTH CADBURY VILLAGE CAFÉ

In April, the South Cadbury Village Café welcomed villagers back to our first community gathering for ages. Over £200 was raised, which was donated to St Thomas à Becket Church. May's outdoor event had to be cancelled, due to poor weather, but we hope to be back at 10.00am on 12th June and every second Saturday of the month afterwards.

Everyone from the Camelot Villages is welcome to come along and join us! If you've never been before, the coffee and cakes are terrific and it's a good opportunity to meet neighbours, make new friends and catch up with all the local news.

Every quarter, we hold our 150 Club draw during the Village Café and livestream the event on our Facebook page for those who can't attend. Shares are now on sale for 2021-2022. Each share is £10 and, even if you win the smallest prize, you'll more than cover that cost! And, of course, the more tickets you buy, the more your chances of winning! If you haven't already, please consider buying some shares which help raise vital funds to support the village hall. Just return the form which was delivered to you last month.

To keep in touch with all our events and news, or for more details about the 150 Club, please drop an email to:

Peter

(Matthew 26: 71-75, John 21: 15-18)

I don't know the man.

I don't know him.

I don't know him.

But I did.

From the moment I turned to him,

that day by the sea,

I knew him,

knew he was the Lord.

I so wanted to serve him,

speak for him,

follow him,

fish for him

live and give my life for him

no matter what.

He is the Lord

and I let him down

again and again and again.

I go on letting him down.

But Jesus,

*who knows the best and worst of me,
who knows how I rush in and blurt out,*

mix and mess things,

fail and fall asleep,

who feels the agony of the denied one,

understands the agony

of the one who denies.

He is the Lord

and he forgives

again and again and again.

he goes on forgiving.

Feed my lambs,

take care of my sheep

feed my sheep.

Wordsearch: St Alban - the first British martyr

Persecution of Christians worldwide is rising fast, so it is worth remembering St Alban, the first British martyr. Alban was a Roman citizen living in England when the Roman emperor, Diocletian, began a fierce persecution. Soon Alban found a desperate priest on his doorstep, hunted by local soldiers. Alban gave the priest shelter, and within days was converted. When the soldiers arrived, Alban took the priest's place, refused to offer sacrifice to the Roman gods, and was condemned to death. Alban went to his execution on 22nd June 250AD with such serenity that one of the executioners was converted. He died on the site of the Hertfordshire town that now bears his name.
