From the Rectory

Is it time for a break? It is the time of year when I hear the message on the answerphone 'I am on leave at present. Please try someone else in my absence.'

However, I suspect that most of us are not planning to go abroad. So we talk about staycations. Does this just mean that instead of going abroad we are taking a holiday in this country? Strictly speaking I am not sure that this is a staycation.

On the other hand, if we do simply stay at home but take a holiday from our normal tasks this is a staycation. It has its advantages. Think of the time and energy which you save through not having to pack everything up and then unpack it when you get back. But in a staycation your problems remain with you. If you are actually away you can usually leave your problems alone until you get back. But if you do not go away you may feel under pressure to give them your attention.

Last week's gospel reading is instructive in this respect. Jesus' disciples are tired and need a break. A staycation is not good enough for they are surrounded by needy people who do not give them enough time even to eat. So Jesus invites them to go away to a deserted place all by themselves to have a rest.

It is a good plan but as sometimes happens with good plans this one does not work out. For the crowds spot what Jesus and the disciples are doing. So when they land at their deserted place they find it instead full of people. These people had worked out what Jesus and His disciples were doing and had hurried along ahead.

The crowds did not care in the least for the needs of Jesus and His disciples. I wonder what our response would be if the

holiday we had planned and longed for was suddenly interrupted by a crowd of people who needed attention. If we are honest it might be irritation, even anger.

However, Jesus responds differently. How could He do this? He looks at the crowds with compassion. The literal meaning of the Greek word is a feeling that arises from the very innermost parts of the body. God's compassion is so deeply ingrained within Jesus that He sees not a crowd but people who are precious to God, sheep without a shepherd. In these times when we are bombarded by different statistics and trends we need to remember that in God's sight we are all people, precious to and dearly loved by Him.

I wonder what our circumstances are at the moment? Sometimes thankfully we do experience times of peace and quiet. If so, we need to enjoy the refreshment that God is offering us. On the other hand, we may feel like Jesus and His disciples, pursued by one person or another and not given the chance for a proper break. But whatever our circumstances we can find strength as we look to God and we can ask that we might share the compassion, grace and mercy which Jesus showed even at times of great personal pressure.

*With my love and prayers,
Tristan*

Church Services

The majority of our churches have now resumed regular services - see the centre pages for details of this month's services.

At the time of printing no decisions had been made as to what changes the lifting of legal restrictions on July 19th would make to our services given the rising infections from Covid-19 and the need to care for each other.

Any changes to services will be notified on the Camelot Parishes website and on each church's A Church Near You website.

Parishes Secretary/Office

The Parishes Secretary will be on holiday from Friday July 30th until Monday August 16th and the Office will be closed during this period. The Parishes Secretary will also be unavailable on Thursday August 26th and Friday August 27th. He may also be working from home at other times. Please make contact by email or telephone if you need administrative help. Please use the e-mail at the bottom of page 2 or, if the Office is unmanned, ring 01749 850934 during office hours.

Items for Excalibur

Items for inclusion in the September Excalibur should be sent to the Camelot Parishes Office (preferably by e-mail - see page 2 for the address) by Monday 16th August.

Cutting Edge Camelot

Our electronic magazine, *Cutting Edge Camelot*, will continue for the time being.

If you would like to be included in the email list for *Cutting Edge Camelot*, please contact Rob Sage (details below) and give us your email address so that you can be added to the list.

North Cadbury and Yarlington Parish Council

An update from the Parish Council can be found on pages 24 & 26. For the time being the usual insert is being printed in the magazine to reduce the handling of copies.

Tahlia's Christening

We had been hoping to invite the whole of the benefice to share in the service of baptism for our daughter Tahlia on Sunday 18th July.

When the lockdown restrictions were extended we decided to go ahead with this date rather than risk further uncertainty. This meant that the service had to be capped at 30. For those who were not at the service we will be sharing photographs of Tahlia's christening via the Cutting Edge Camelot circulation. If you are not on this circulation list but would like to receive these photographs please let Rob Sage in the Parish Office know and we will arrange for this.

Race for Life comes to North Cadbury C of E Primary School

On a sunny Friday at the end of June the children and staff at North Cadbury C of E Primary School ran, jogged or walked their way around our school field to complete 10Kms, 5Kms, or 3Kms to try and raise vital funds for the charities Cancer Research and MacMillan.

This was followed by one of our parents partaking in a 'Brave the Shave' event to support his wife with her ongoing fight against breast cancer. The children were phenomenal, and very determined to keep going despite being rather hot and sweaty from their efforts. We are so proud that every child in the school actively participated - what a fantastic community effort.

To date we have managed to raise an astonishing £3,600 (over £4,000 when you factor in Gift Aid). This will be split between both charities and will hopefully help, both with vital research and providing additional support and care to families at their time of need.

For our lovely Mrs Bridgeman-Sutton, this was her first ever sponsored event and the children were equally proud of her. Thank you for letting us share our good news with you. We will take a break now over the summer, but look forward to sharing further news with you in the Autumn.

With very best wishes,

The Water of Life

'O taste and see that the LORD is good'
Psalm 34:8

*She came to the well around midday,
to avoid all the gossip she came alone,
she met a Man there
who told her all things
five husbands she had
and one not her own.*

*He asked for a drink,
and they started to talk,
a Samaritan woman there with a Jew
breaking all barriers to meet her need
he told her how she could be made new.*

*The water of life that he would give
would mean that she
never would thirst again.
This transforming draught
he offers to all
once tasted you never will be the same.*

*At Cana he turned the water to wine;
a miracle no-one but he could do
Just as the water was
wondrously changed
if you drink from this Fount
it can happen to you.*

SOUTH CADBURY VILLAGE HALL

On 10th June, the South Cadbury Village Café was open again with all the usual splendid cakes & refreshments. Although the weather was poor, it was good to see so many attend indoors for a catch-up on local news. During this event, we held the first draw this year's 150 Club. Congratulations to the winners who were, in order: Richard Hawkins; Fraser & Jill Newton; David & Tina Cosham and Angela Hunt.

If you haven't yet bought some shares, you can still join for the remainder of the year. Between now and the second quarterly draw, each share costs just £7.50 and, even if you win the smallest prize, you'll more than cover that cost! And, of course, the more tickets you buy, the more your chances of winning! If you haven't already, please consider buying some shares which help raise vital funds to support the village hall.

On 20th June, the South Cadbury Village Hall held its AGM. During his review of the year, chairman Phil Jones commented on how much progress had been made, despite the Covid restrictions, by the new

committee with the enthusiastic involvement of so many villagers. Among the highlights were competitions on VE Day 75 and Christmas for the best house/ garden decoration, online bingo with donated prizes, a garden refuse collection when the council service was suspended and a very successful Village Calendar for 2021. The monthly Village Café has been well-attended and helped raise funds both for the hall and St Thomas à Becket church. South Cadbury Village Hall has been redecorated and has a new floor, lighting, blinds, tables and chairs. Soon, we will have a new kitchen and we can begin to organise catered events. The playground has been fully repaired and all Camelot children are very welcome to make use of it.

Our next Village Café will be held at 10.00am on Saturday 14th August and we would love to see anyone from South

Cadbury and across the Camelot Villages. Our next major event will be a post-Covid party, on Saturday 4th September. Plans are being drawn up for this and we will announce details shortly.

To keep in touch with all our news, including any late changes necessitated by the weather, please make sure we have your email details by dropping a note to Village.Hall@SouthCadbury.org.uk.

NORTH CADBURY & YARLINGTON PARISH COUNCIL (PC)

The following topics were among matters discussed at the North Cadbury and Yarlington PC meeting held in June 2021.

Reports from County and District Councillors

C.Cllr Lewis reported that Covid-19 continued to be the main issue affecting Somerset County Council (SCC) business. SCC would hold its first 'in person' meeting next week, having met remotely since the start of the pandemic. It would be a 'hybrid' meeting, allowing other participants to join via 'Microsoft Teams' if they wished to take part.

Cllr Lewis reported that the recent delays and disruptions to waste collections were largely down to the national shortage of LGV drivers, which was likely to last for some time. He advised that waste should be put out before 6am during the warm weather.

D.Cllr Hobhouse reported on the recent fire at the Dimmer waste recycling centre, Castle Cary. 60 tonnes of plastic was burned, polluting the local area. The subsequent fire inspection discovered that the valves/hose connections were mismatched, which is the same County wide. At the outset, D.Cllr Hobhouse advised that the Evercreech facility, which was already in operation, would be far better suited to this type of operation. Since the fire, the Evercreech facility is taking the waste for the next three months.

D.Cllr Hobhouse advised that the rumours suggesting that the recent poll on 'Stronger Somerset' cost £1 million was inaccurate; the poll cost £390,000, of which South Somerset District Council (SSDC) paid £95,000.

Highways and Rights of Way (RoW)

Full Highways and RoW reports can be found as attachments to the PC minutes on the Parish Website <https://www.northcadbury.org.uk/>

Cllr Rundle had nothing significant to add since his last report in April as little work had been carried out other than minor pothole repairs. However, North Cadbury School had been informed that, as part of the programme to implement advisory 20 miles per hour speed limits outside schools during the next 2 years, the school had been assessed and prioritised for implementation due to a previously identified need for enhanced provision, above and beyond warning signs alone. The advisory limit would be enabled by 'flashing wigwags', which are usually timed to coincide with school entry and exit times. The School and PC were initially consulted on the scheme in 2015/16 and gave their support. Cllr Rundle was also keen to see the Keep Clear Zone extended across the gap in front of the school,

especially now that parking for teachers was provided behind the school. Mrs Thompson, Headteacher was happy for it to be extended, therefore, he would take the matter forward.

North Cadbury and Yarlington Neighbourhood Plan Working Group (NPWG)

Please visit <https://www.northcadburyneighbourhoodplan.org.uk/> to receive the latest news, NP programme, useful information and documents, including a list of potential development sites submitted to SSDC by landowners. The full report from Cllr Keys-Toyer to the PC can be found on the PC Website.

Items for Report and Future Business

Cllr Mead reported that Yarlington Village Hall was connected to superfast fibre broadband at a cost of £750 plus a notional rental fee with Wessex Internet.

Cllr Keys-Toyer commented on the recently circulated SSDC 'Get Sussed' Environment newsletter in which it was promoting volunteers to conduct local environmental surveys. As the quality of rivers such as the River Cam was a concern to many, he suggested that a community project could be set up to survey the local rivers.

Cllr Montgomery advised that many people are unaware of just how bad the situation is with smaller municipal wastewater treatment works, which dump raw sewage into rivers after extreme weather, such as torrential rain and when they are operating at full capacity. Such instances were documented at the North Cadbury plant and can be accessed. The legislation appears somewhat hypocritical when the farming community have to adhere to strict regulations.

Cllr Maria Viney Welcome and Thank You to Cllr Maria Viney who was co-opted unanimously onto the PC.

Will be held on Wednesday 22nd September at 7.00pm in North Cadbury Village Hall. Residents are invited and encouraged to attend.
