From the Rectory

Easter and Holy Week are a concentrated and intense period of the church's year. This year in addition to our Good Friday walk and our usual services on Maundy Thursday, Good Friday and Easter Day we had a special marathon session on Holy Saturday in Galhampton church during which all one hundred and fifty psalms were read. I understand that in total this took just over six hours. So well done to Alison and any others who stayed the course! The object of the Psalmathon was to raise awareness of and pray for the conflict and suffering in the Ukraine. The Lent lunch at St Michael's North Cadbury also raised monies for the humanitarian efforts to help victims of this conflict.

With the lifting of the covid restrictions, we were able to celebrate this Easter in the most relatively 'normal' way since pre-pandemic days. Having said that, we must not forget those whose circumstances mean that face to face meetings in church are still very challenging. We are continuing to publish our weekly email magazine Cutting Edge Camelot in the hope that it may help any who for whatever reason cannot attend church on a particular Sunday.

But now we move on after Easter and inevitably the intensity slackens. Our gospel reading last Sunday reminds us of how we cannot 'freeze' intense spiritual experiences so that they

always remain with us with the same immediate force. Rather we need to take their lessons into the course of everyday life and let them inform us in the way we live out our faith.

So on that first Easter Sunday the disciples were given a very immediate and powerful experience of their risen Lord. Jesus stands among them and shows them His hands and His side in order to demonstrate that it is really He who is standing among them. However, one disciples misses out on this powerful encounter. This disciple is Thomas who demands that he too is given a direct and powerful experience of the risen Lord before he will believe in the Resurrection.

Jesus does indeed give Thomas what he is looking for and affirms him in his search. At the same time, however, He tells us that others may come to faith simply on the basis of what is written in scripture without having the same direct and powerful experience as Thomas and the other apostles. As He says, 'Have you believed because you have seen me? Blessed are those who have not seen and yet have come to believe.' And

John's gospel then assures us that what is written and handed down in the gospel is enough to bring us to a living knowledge of and trust in Jesus Christ as the Messiah and Son of God.

May we as Easter people come to that point of simple trust and acceptance so that we can live out our faith in our everyday lives among our family, friends, neighbours and communities.

*With my love and prayers,
Tristram*

Annual Church Meetings

During April and May the Vestry Meetings and Annual Parochial Church Meetings for all the Camelot Parishes will be taking place. Everyone resident in the parish or on the Church Electoral Roll is entitled to attend the Vestry Meeting, which only has one remaining function - to elect the parish's churchwardens for the coming year.

Those on the Church Electoral Roll can also take part in the APCM (Annual Parochial Church Meeting) which hears reports on the fabric, finance and life of the church and elects the members of the Parochial Church Council (PCC).

There is also usually a short PCC meeting after the APCM to elect the PCC's officers for the coming year. Where known the details of the Annual Meeting for your parish can be found in Village View (pages 18-28) and under May Events (page 5). Bratton St Maur's APCM was held in April. Blackford's, Maperton's and Yarlinton's APCMs had not been arranged at the time of printing and details should be available on your church noticeboard, which will also state where the meetings are being held.

The words are as challenging and relevant now, both in global events such as in Ukraine and in our own personal lives, as when first written. Thank you to all who read and prayed through the day!

Camelot Prayer All Welcome

Representatives from several Camelot Parishes meet by Zoom on Tuesday mornings from 08:00 to 08:40 to pray for the Camelot Benefice, for our nation, and for the world.

Items for prayer are provided by leaders in the Benefice and in response to current world events. Prayer requests remain confidential within the group. The session is relaxed and informal and each contributes as they feel led.

From the Assistant Bishop

It all happened so quickly. I went to A&E with severe back-pain which affected my mobility. The NHS was outstanding. Within a dizzying few hours, I heard I would need an immediate MRI scan and possibly rods to support my spine. I dreaded the thought of going into the scanner, let alone the surgery. As I was being wheeled along the corridor, Lauren, my Godson's 10-year-old daughter, came into my mind.

Lauren is a talented girl passionate about football. Just over a year ago, it was discovered that she had a growth at the base of the spine which would need radical treatment to prevent spinal curvature. She would also require rods in her back which could be regularly extended by surgery as she grew into adulthood. In addition, this ten-year-old would be spending lonely hours in a soul-less scanner. Lauren is lovingly supported by her wonderful family and magnificently treated by NHS professionals, but while it can be shared, the load is ultimately hers to carry. Parents bear the agony of powerlessness. In the middle of this painful dilemma, young Lauren is instinctively grabbing the God-given gift of abundant life which is for all and which lies at the heart of the Gospel. As we get older, less passionate and more cynical we can lose faith in this gift.

As I was being taken to the radiology department, I realised that I was being strengthened and inspired by this young girl, six decades my junior, facing far greater challenges than me. My own fears were being transformed by Jesus Christ's gift of life mediated through Lauren's courage. Life may turn out differently from what we expect, but that does not restrict its abundance.

The young are an inspiration. It is the role of the older generation to ensure they can grow into the special people God has created them to be so that they can release the gifts they have for us all.

Thanks, Lauren.

Despite all she faces, Lauren continues to play football.

INTERVIEW - A breadth of experience

Our new Safeguarding Manager, Ben Goodhind, shares his thoughts on how safeguarding is supported across Bath and Wells.

How does your probation background help you in your new role?

Many people don't realise that the Probation Service was founded by Church of England court missionaries in 1907, so unsurprisingly, it helps a great deal. Not only have I managed, and risk assessed many who may seek to cause harm, but I have also supported thousands of people in making significant changes to stay safe and move on a different path.

What has surprised you most in your role?

My biggest surprise was just how good a safeguarding team we have.

By this I mean the hundreds of voluntary Parish Safeguarding Officers (PSOs) from backgrounds including education, nursing, criminal justice and law and also the professionalism of my own team. Their breadth of experience in the police, probation, prison and social work would be the envy of many statutory teams.

How important are Parish Safeguarding Officers?

PSOs are the key to everything we do as a safeguarding team and as such I have made supporting them the key priority. I have so much respect for them and the fact they choose to give their time freely to protect others.

How can we all play our part?

By viewing safeguarding as a part of our faith and, when things don't look right, always challenge them. Educating ourselves on safeguarding with training is vital and keeping up to date with wider topics in the media is also helpful.

Read Ben's interview in full at: bathandwells.org.uk/a-breadth-of-experience.

Her Majesty the Queen's Platinum Jubilee Beacon

Cadbury Castle is our local Registered Site hosting a Platinum Jubilee Beacon. Together with thousands across the UK and Commonwealth, our beacon will be lit on Thursday 2nd June. To help make this day extra special, South Cadbury has organised these events and activities. We hope you will take part! Any updates will be posted to www.nextdoor.co.uk and final details published in June's Excalibur.

JUBILEE BBQ – 7.00pm

Our build-up to the main event starts with a BBQ from 7.00pm at the Village Hall and Playing Fields. We'll have a marquee, a choice of meat or meat-free food, as well as chilled refreshments, a bar and some fun games. We're very pleased to tell you that the fantastic **Yeovilton Military Wives Choir** will provide entertainment with a mixed, uplifting repertoire of popular tunes and patriotic songs. For those who want to, there'll be opportunities to sing-along too! No pressure if you don't.

This year is the 10th Anniversary of the formation of the first Military Wives Choir. Since 2012, over 70 groups have come together across the country to bring women in the military community together to sing, share and support. We hope you can join this inspiring musical experience as part of South Somerset's celebration of the Platinum Jubilee. If you're going to attend, please let us have numbers for catering on www.nextdoor.co.uk, by email to Village.Hall@SouthCadbury.org.uk or by calling Hilda Connolly on 01963 440442 or Alison Norton on 01963 440997.

JUBILEE BEACON – 9.45pm

Beacons will be lit simultaneously at 9.45pm across the UK to celebrate the Queen's Platinum Jubilee. Cadbury Castle

enjoys far-reaching views to Alfred's Tower, Glastonbury Tor and Corton Denham. Across Somerset and Dorset, what better place could there be for a Jubilee Beacon?

We'll leave the BBQ by 9.00pm to allow plenty of time to walk to the top of Cadbury Castle. We suggest you bring a good torch, as you'll need it for the return walk down the hill in the dark. We want as many people as possible to be able to witness this occasion, so there will be transport both ways for anyone who needs it. Please let us know well in advance, using any of the contact details above, so we are prepared.

As the beacon is lit, the **Yeovilton Military Wives Choir** will perform a brand new song written for the occasion called **"A Life Lived with Grace."** This was the winner of the "Song for the Commonwealth" competition and will be sung simultaneously by hundreds of choirs across the UK. The lyrics were written by Lucy Kiely from Australia with music composed by Vincent Atueyi Chinemelu from Nigeria. This song and the beacon will be a particularly poignant part of the celebrations and we hope to see as many people as possible enjoy the moment.

JUBILEE RAFFLE

So we know when the Jubilee Beacon will be lit, but who will light it? **Well, it could be you!** As part of the build-up before the celebrations, a special **Jubilee Raffle** will give one lucky winner the unique honour of being the official **Beacon Lighter**. Tickets are available in pubs, cafés and shops across the Camelot Parishes and beyond. We are also inviting your village hall committee and parish councillors to help make tickets available as widely as possible. The **winner will be announced at the BBQ** earlier in the evening

SOUTH CADBURY VILLAGE HALL

PLATINUM JUBILEE

There are just 4 weeks to go until we celebrate the Queen's Platinum Jubilee over a four day special holiday from Thursday to Sunday, 2nd- 5th June. Our major event – **BBQ followed by Jubilee Beacon lighting** - is on Thursday 2nd June with details on page 14. Your “Jubilee Team” is also putting the finishing touches to our village events and have sent this update.

Jubilee Competition

In 2020, households in South Cadbury were invited to decorate their houses to celebrate VE Day 75. This was near the start of the Covid pandemic and proved very popular as a chance for the whole community to pull together. So, to mark the Platinum Jubilee, we've decided to run a similar competition. Please dig out your flags and decorations, dust off your royal memorabilia and photographs, and put together a red, white and blue royal display of anything (and everything) **to make us all feel proud of our Queen and Country**. For parents, the website www.royal.uk/platinumjubilee has some suggestion for children to make decorations and bunting – it's worth a look! We hope you'll join in the fun! Please have your house ready by 2nd June as judging will take place in the morning. A special prize will be awarded to the winning household which will be announced during the **BBQ**.

Jubilee Picnic

From 12 noon on Sunday, 5th June, we will hold our **Big Jubilee Picnic** on the playing field. Please bring your own picnic and a rug or chair to sit on. There will be some tables/chairs for those who would prefer to use them. We may also fire up the BBQ and open the Bar: please keep your eye open for more on this. Inside the hall we'll

have the live BBC coverage of the **Platinum Jubilee Pageant**, so you can keep up-to-date with the culmination of national celebrations while enjoying our special Somerset community.

RESULT OF UKRAINE APPEAL

The extraordinary generosity of our villagers enabled us to raise almost £1,000 in March for our Ukraine Appeal. We wanted to ensure this money went to support Ukrainian refugees fleeing the Russian invasion and so decided to pass it on to **Lumos** (www.wearelumos.org), a charitable trust founded by J. K. Rowling, especially as she will double the value of our contribution. We've received more donations in April and, together with the matched funding, our Ukraine Appeal will provide help to the refugees worth over £2,000. Thank you to everyone who supported our efforts.

EASTER EGG TRAIL

Over 40 children with their parents and/or grandparents enjoyed the wonderful sunny weather for our Easter Egg trail on 16th April. Families from North Cadbury, Sparkford and other local villages made this a busy and fun event: so busy in fact that Easter Bunny had to “find” a new supply of Easter Eggs on the day! We send a big thanks to everyone for your support and, as always, our brilliant volunteers who made cakes, served coffee and donated prizes for the tombola. Everyone had a great time (apart for those of us made to wear rabbit ears 🐰). We expect this will be a regular family event in the South Cadbury calendar, so mark your 2023 calendar now.

VILLAGE CAFÉ & 150 CLUB

Our next gathering will be at **10am on 14th May**. As well as coffee, cake and conversation, you can browse, borrow or buy from our bookstore. If you could bake a cake or donate a raffle prize, please

Bible Bite

A short story from the Bible

It can be read in the Bible in Genesis chapter 1 to 2 verse 3.

This story is at the start of the Bible, and the start of time...

When God first made the universe it was empty and shapeless. God said...

Let there be Light!

God separated the light and dark.

On the next day, God separated the sky...

...from the sea

On the third day God separated the sea...

...from the dry land. Then He made plants of all kinds grow on the land.

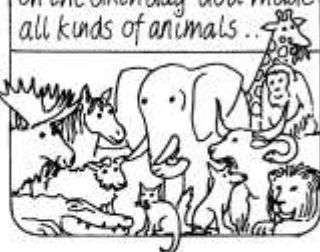

On the fourth day God made lights shine in the sky for day and night.

On the fifth day God filled the sea with all sorts of fish, and the sky with all sorts of birds

On the sixth day God made all kinds of animals...

and then He made people, men and women

God told the people....

Take care of all I have made

God saw that everything He had made was very good.

On the seventh day God rested...

and so did everyone else!
