From the Rectory

'You can't see the wood for the trees.' That phrase warns us of the dangers of becoming so immersed in the details of different projects and plans that we lose sight of the 'bigger picture', what we are living for in the first place.

For we all need to know where we are going, the why of our lives. For us as Christians this big picture is shaped by the birth, death and resurrection of Jesus Christ and the values of loving God with all our hearts and our neighbours as ourselves. It is this that we remind ourselves of in our journey up to Easter.

But we need to recognise the trees as well. When we come to a tricky fork in the path ahead, we need to know where the trees lie in order successfully to track a path through the wood.

In this we have the Holy Spirit to guide and help us, to prompt us as to the specific direction in which we should go. But we also have our own resourcefulness and the plans that we are able to make.

This was graphically illustrated for me by our Mothering Sunday reading about the birth of Moses. The context was that of a cruel and inhumane decree on the part of the ruler of Egypt, the Pharaoh, that every Hebrew boy was to be thrown into the Nile and drowned.

In the context of our big picture, it was clear what the people who were responsible for the safety of the baby Moses needed to do. Surely, they needed to choose compassion and life rather than cruelty and death. The

problem was how could this possibly be done? The authorities were strong and powerful and likely to hunt Moses down.

And so, a 'cunning plan' was devised. Moses' mother hid Moses and then put him in a basket beside the bank of the river Nile. There he was found by Pharaoh's daughter. But, motivated by compassion, she wanted to find a way round her father's cruel decree. At this point Moses' sister enters the scene and suggests that she should find a Hebrew woman to bring Moses up.

No doubt Pharaoh's daughter suspects that there is more to this offer than meets the eye. But she goes along with it and the result is that Moses' mother brings up her child under the royal protection of Pharaoh's daughter. And when Moses grows up, he is officially adopted as her son.

So, the 'cunning plan' works. But it is one which has been guided by the big picture of the value of life and of compassion. If we lose sight of this big picture such stratagems can lead to disaster as we sacrifice long term values for the sake of short term gain. However, if we retain our sense of the big picture and listen attentively to God our plans will prove to be fruitful and effective.

*With my love and prayers,
Tristan*

Tuesday Worship in Galhampton Church

From April, the alternative worship on a Tuesday evening in Galhampton Church will be taking place on every Tuesday of the month. See advert on opposite page.

Palm Sunday Soup Lunch

There will be a soup lunch in North Cadbury Church after the Palm Sunday service on 2nd April. A light lunch of home-made soup, bread and cheese will be served from 12.30 – 2.00pm. There is no charge for the lunch but donations may be given in aid of The Gifford Trust. A local trust founded to provide assistance to local people in times of need, originally providing coal and blankets, the trust has a particular focus on the need to ensure parishioners are kept warm.

Annual Church Meetings

During April and May the Vestry Meetings and Annual Parochial Church Meetings for all the Camelot Parishes will be taking place. Everyone resident in the parish or on the Church Electoral Roll is entitled to attend the Vestry Meeting, which only has one remaining function - to elect the parish's churchwardens for the coming year.

Those on the Church Electoral Roll can also take part in the APCM (Annual Parochial Church Meeting) which hears reports on the fabric, finance and life of the church and elects the members of the Parochial Church Council (PCC). This year the APCM will also be considering plans for pastoral reorganisation in the Deanery which will effect the Camelot Parishes.

There is also usually a short PCC meeting after the APCM to elect the PCC's officers for the coming year.

Most Annual Meetings will take place in May (see next month's Excalibur for details) but Bratton St Maur's, Maperton's and North Cadbury's will be held on April 21st, 28th and 17th respectively (see pages 18 and 20 for details). Check Church notice boards for further details.

From the Bishop

As April begins, we mark it with the Palm Sunday procession, the welcoming of Jesus into Jerusalem amongst much jubilation and a sense of impending revolution. There were those who expected Jesus to be the next rebel leader who would rouse the local people to turn against their Roman overlords. Political populism at its height! In their enthusiasm, limbs of trees were broken to pave the way for this new hero.

However, it didn't take much for the crowd to turn around and change its tune. Those palm leaves torn from branches to throw in his path have become the palm crosses we hold today. Symbolising for us the way in which the week ends. Fronds of living trees now dried and woven to form the cruel instrument of death on which Christ suffered.

Many of our churches are now engaged with rewilding their church grounds, many are seeking to gain awards with Eco Church and are looking for new ways of reducing or capturing carbon. There would be horror at the thought of denuding our trees! In fact, parishes are discovering opportunities to partner with others to plant new trees on spare glebe land.

Sometimes though it can feel to us that the environmental crisis is too great a one to solve. Yet the message

of Easter shows us that when things seem nigh on impossible it is then that we glimpse the grace of God at work. God's way of overcoming evil was not to fight a small act of resistance against a Roman invasion but rather to combat sin itself. The death of Jesus was the ultimate battle to overcome that which has separated humanity from knowing the extent of God's love for each and every one of us.

The natural world around us is a wonderful illustration of how death is not the end. The environment can be devastated by flood, fire and human carelessness and yet new life can begin again. The joy of Easter is that the story doesn't end in death but opens a new beginning for us all through the resurrection of Christ.

May you know the life and love of Christ this Easter!

INTERVIEW - Going Greener

Sue Carpenter explains how St James, Taunton is caring for creation in its church grounds for the benefit of the wildlife, the church and the local community.

St James' bug hotel

What made you look to have a 'greener' churchyard

Back in 2018 our PCC resolved to engage with the Eco Church initiative and improving the management of the churchyard came out of that. We hope to apply for a Bronze Award very soon and continue to work to get the Silver Award or better.

What changes have you made?

We've created a meadow area, worked with the council to introduce

a more eco-friendly mowing regime and our children have created a bug hotel. We've also installed a compost bin in the churchyard and have wood piles which support wildlife.

Has it reaped rewards?

The church community has become more aware of the value of our church grounds and what lives and grows within it. We had an Easter trail in 2021, a Jubilee event last year and this year are planning a 'Spring of Hope' using resources from *Muddy Church*. A survey has found over 120 species of wildflowers, trees and ferns – including the rare Bee Orchid.

What has been the reaction of the wider church community to the changes?

It's been positive thanks to regular articles in the church website, magazine and our Facebook page. We have labelled the areas where we've made changes too, so that those visiting or passers-by can understand what we are trying to do.

Do you have any advice for other churches?

Attend the Wilder Churches sessions, they are online and excellent. Get to know local organisations with a similar vision and with those who manage the grass on your site. A nature identification app on your phone is useful. You could use the app to start a project for your church grounds.

Get more advice from Sue at: bathandwells.org.uk/going-greener

A devout cowboy lost his Bible while he was mending fences out on the range. Three weeks later a cow walked up to him, carrying the Bible in its mouth. The cowboy couldn't believe his eyes. He took the book out of the cow's mouth and exclaimed, "It's a miracle!"

"Well, hardly" said the cow. "Your name was written on the inside cover."

Spring has definitely sprung for us in North Cadbury Primary School, along with the lambs and shoots around us, we are also thrilled and immensely grateful to see the walls of our new classrooms appearing from their foundations. Day by day, we are overjoyed with the placement of each brick. Bricks that will be set to serve our wonderful community for many more decades to come.

This term so far, we have celebrated our Reception children's first 100 days in education. This was marked with a party to celebrate the milestone. A wonderful excuse for cake and balloons!

February saw us mark our annual World Book Day celebrations with the

opportunity to dress in book themed costumes. This never fails to get everyone excited, and the costumes this year, were yet again wonderfully creative.

NORTH CADBURY & DISTRICT GARDENING CLUB

We've just been entertained by a wonderfully informative illustrated talk given by the head gardener of Kingston Lacy covering its history, geography and garden restoration and maintenance. This is carried out by only 7 very efficient gardeners with the help of volunteers. The current house dates back to the 17th century, built by Sir Ralph Bankes whose family remained there until the extensive estate was donated to the National Trust on the death of Walter Bankes in 1982.

The estate includes a large part of the neighbouring south coast not least Studland and also Corfe Castle where the family originated. The Bankes were good record keepers so documents that are discovered are used for inspiration for garden projects where funds permit. We heard about the various 'rooms' of the garden and how they have evolved.

On April 19th the talk will be on the Bishop's Palace Gardens by head gardener James Cross. North Cadbury Village Hall - doors open at 7 for 7.30pm. All are welcome, £5 fee for non-members, includes refreshments and chat!

For further information about the club please contact Susie

NORTH CADBURY WOMEN'S GROUP

The next meeting of the North Cadbury Women's Group is on Wednesday 26th April at 10.30am in the Reading Room at North Cadbury Village Hall.

The Women's Group meets on the fourth Wednesday, most months of the year, at 10.30 in the Reading Room. Membership is £15 a year, or you can just attend occasionally for a £2 donation.

We are a very friendly group, and our meetings include a wide range of speakers across the year, a lunch group, a summer outing to which partners and friends are invited and always plenty of coffee/tea/biscuits and chat!

If you would like more information or a copy of the 2023 programme please contact Pauline Moylan on 440775 or pmoylan1@gmail.com

Bible Bite

A short story from the Bible

It can be read in the Bible in
Mt 21:1-11, Mk 11:1-11, Lk 19:28-38, Jn 12:12-19

Thousands of people went to Jerusalem to celebrate the Passover feast each year. This year Jesus and his friends went too.

Two miles outside Jerusalem Jesus said to two of his friends

Go into that village and bring back the donkey you find there.

If anyone asks, say 'The Lord needs it.'

So off they went...

and they found it as Jesus had said.

Why are you taking our donkey?

The Lord needs it.

That's alright then

They brought it back to Jesus, and made a saddle from a cloak.

They spread more cloaks on the road to make it a way fit for a king.

Others cut palm branches and waved them.

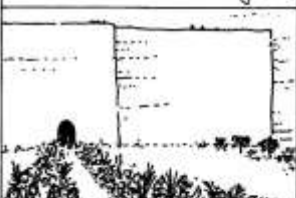

They shouted the traditional welcome to the Passover feast

God bless the one who comes in the name of the Lord!

As they got closer to Jerusalem the crowd grew.

Everyone shouted to welcome Jesus as king

The teachers of the laws were angry

Teacher, you should stop them calling you 'king'

But Jesus replied

What they say is so true that even if I made them stop, the stones would shout!
